

*We're called to even
greater things.*

And by God's grace, the Lord will multiply His Kingdom through an impactful initiative called 10 for Tenn.

Since 1938...

The **Tennessee Baptist Foundation** has been working to ensure that Tennessee Baptist Churches are equipped to do Kingdom work.

Through the generosity of committed believers like you, The Foundation has been able to support churches, create scholarship programs, and bring glory to God through the work of His people.

Throughout Scripture, God challenges us to follow His example and give generously because He wants us to receive the blessing that comes through giving.

It's common for Christians to give to their churches throughout their lifetime but only 6% of Americans leave gifts to the church in their estate.

In fact, **6 out of 10 Americans don't have a Last Will and Testament**, leaving their estate to the decisions of others.

A legacy gift of **10%** can *sow the seeds* of abundant life for the future generation of Tennessee Baptists...
